GETTING MARRIED? GIVE US A RING

by Jayme Kennedy

Lush grounds, picture-perfect landscaping, a spa to pamper your body and soul, luxurious lodging, convenient location and professional, personalized service to ensure that every detail of your wedding day is flawlessly executed. If this sounds like the wedding destination of your dreams, you'll be thrilled to know that it's all right here at the Bellevue Club.

Selecting a venue to host your wedding reception is one of the most important decisions in the entire wedding planning process. The venue provides the event's

backdrop and atmosphere. It also determines the amount of work and additional arrangements that will be necessary. Janel Schlitt, owner and senior consultant for Occasions Wedding and Event Planning, agrees: "It's important to consider all aspects of a venue before selecting a site," she says.

The Olympic Ballroom at the Bellevue Club provides a perfect setting for a wedding celebration. Hand-blown glass chandeliers, hand-painted ceiling murals and one-of-a-kind works of art help set the stage for an intimate and sophisticated event. Wonderful accoutrements are included when you host a reception at the Bellevue Club, including fine china and stemmed glassware, tables, chairs, table linens, decorations and dance floor. Adjacent to the Olympic Ballroom, the Atrium is a beautiful space for a cocktail reception prior to the start of your event, complete with a baby grand piano, romantic lighting and lush landscaping.

"The Bellevue Club is the only location on the Eastside with a foyer like this. It has soft seating, couches and furniture—it's really a great space for a cocktail hour," says Janel.

In addition to its beautiful event space, the Bellevue Club also has Hotel accommodations and special rates for family and friends that are traveling to the wedding. As a four-diamond, internationally recognized luxury property, our 67-room Hotel features elegant, comfortable rooms that boast all of the amenities and unique touches. Guests of the Hotel may also utilize the world-class athletic facilities, dine in our award-winning restaurants and visit the Spa for some pampering.

"I recommend the Bellevue Club to my clients because of the amenities and services—everything you need is in one place," says Janel. "The ballroom is well decorated and equipped. There's a nice hotel on-site and there are beautiful grounds for photographs. It's centrally located and easy to find and there's no charge for parking."

With so much to offer in one spectacular setting, it isn't surprising that the Bellevue Club has become a highly sought-after wedding venue. Call us at 688-3382 to inquire about your special day.
